

## **04/08/2003 Entry: "3I Show in Garden City"**

Be sure to visit the Kansas Cattlemen's Association at this year's 3I show in Garden City April 24, 25 and 26! We will be inside at booth #88 at the Finney County Fairgrounds. Joining us in our booth this year will be Emery Kleaven from the Waitt Farm Network. Emery will be doing live remotes from the 3I and we're excited to have him with us this year. We look forward to seeing you there as well!
