KCA Plans Open House to Showcase New Brewster Office

The Kansas Cattlemen's Association will host an open house from 11 a.m. to 4 p.m. Saturday, October 4, 2003, at their new building in Brewster. The association moved into new headquarters at 402 Kansas Avenue in August.

"We are excited to be in our new office in downtown Brewster," said Executive Director Mike Schultz. "Due to our growth and membership support, we were able to purchase our new building. It was a change that we needed to make going to the next level for producers. We hope that members will make plans to come and join us."

The open house will include a noon barbecue featuring USA natural beef hamburgers from Ranch Foods Direct, a branded beef company based in St. Francis, Kan. Guests will have the opportunity to meet and visit with other members of KCA, the Board of Directors and the association staff.

A special presentation of the 1st annual KCA Legacy Award will be made at 1:30 p.m. "This award is designed to honor individuals in the industry that have shown leadership and determination to make a difference in all aspects of the cattle industry," Schultz said. "So many times we fail to recognize individuals for their expertise, time and commitment spent working for change. We are pleased to be presenting this special honor as part of our open house."

To help with meal planning, please RSVP to the Kansas Cattlemen's Association at 877-694-2906 by October 2th.
