

Madison Field Day Scheduled for September

On September 10th, Kansas Cattlemen's Association is hosting a Cattlemen's Field Day on the Luthi Ranch just outside of Madison, KS. Events will include, pasture golf, a cookout and networking with industry businesses and area cattlemen. This event is open to the public, consumers, producers, and businesses alike.

"We are going to be playing pasture golf, giving away prizes, and we want the whole family to come out and have a great time," KCA Executive Director Brandy Carter remarked.

Pasture golf players are welcome to bring their own clubs. Clubs may include a baseball bat, stick, tennis racket, rake, shovel, golf club or any other item that can hit a ball. A cookout will coincide with the other activities. Hal and Dallas Luthi have donated all of the USA beef for the cookout.

The cost of this non-profit event is \$35 per person and all proceeds to be donated to the Kansas Cattlemen's Association.

5:00 pm**

"This is the most relaxed golf game you will ever play. You don't have to be a golfer for this type of fun. But, if you are, it will be like no other golf course you've played on. There is no official club required, and we will be playing in a pasture. This is the perfect opportunity to get together and enjoy an evening of food, fun, and entertainment," stated Event Coordinator Kelsey Gibson.

"What better way to end the summer? We are excited to get everyone together for some great fun, and it's also an opportunity for young ranchers looking to be more involved in the industry to network with seasoned cattlemen," commented Carter.

Area sponsors include: Chubby Foods, Madison; Alco, Eureka; G & W Foods, Eureka; Stanley's Hardware Eureka; Elly's Beer Cooler, Madison; Home Bank & Trust, Eureka; and Emprise Bank, Eureka.

Anyone interested in attending or wanting more information should contact Kelsey Gibson at 785-238-1483.
